

# Key Information Document

## Purpose

This document provides you with key information about this investment product. It is not marketing material. The information is required by law to help you understand the nature, risks, costs, potential gains and losses of this product and to help you compare it with other products.

## Product

### FINECTIVE SICAV - Angel Class A

ISIN: LU1072717322

**Manufacturer:**

Name: BCEE ASSET MANAGEMENT S.A.

**Contact Details:**

6a, rue Goethe L-1637 Luxembourg  
[www.bcee-am.lu](http://www.bcee-am.lu) - Call (+352) 26 89 51 for more information.

**Competent Authority:**

Commission de Surveillance du Secteur Financier

**Date of production:**

07/12/2018

## What is this product?

**Type:**

This product is a share of an investment company qualifying as an alternative investment fund (AIF) submitted to part II of Luxembourg investment fund law.

The currency of the product is expressed in EUR.

**Objectives:**

The investment objective of the Sub-Fund is to achieve long-term capital appreciation by gaining exposure, directly or indirectly, to a wide variety of asset types such as, but not limited to equities (whether listed or not), fixed income securities, money market instruments, open or closed ended investment funds (irrespective of their investment policy).

This product is a capitalisation product meaning that income and capital gains are reinvested.

**Intended retail investor:**

This product is intended for professional investors.

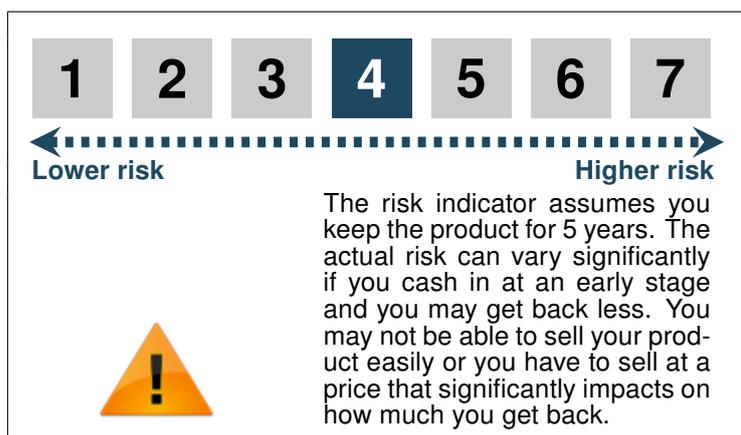

**Term of product:**

This product has no maturity date. However, the manufacturer may decide to close the product under certain circumstances.

This product was launched in 2014.

# What are the risks and what could I get in return?

## Risk indicator:

The summary risk indicator is a guide to the level of risk of this product compared to other products. It shows how likely it is that the product will lose money because of movements in the markets or because we are not able to pay you.

We have classified this product as 4 out of 7, which is a medium

## Performance scenarios:

Investment 10000 EUR		1 year	3 years	5 years (Recommended holding period)
<b>Stress scenario</b>	<b>What you might get back after costs</b>	6,146.87 EUR	6,210.70 EUR	5,411.85 EUR
	Average return each year	-38.53 %	-14.68 %	-11.56 %
<b>Unfavourable scenario</b>	<b>What you might get back after costs</b>	9,453.06 EUR	10,579.90 EUR	12,157.11 EUR
	Average return each year	-5.47 %	1.90 %	3.98 %
<b>Moderate scenario</b>	<b>What you might get back after costs</b>	10,605.00 EUR	12,911.33 EUR	15,719.22 EUR
	Average return each year	6.05 %	8.89 %	9.47 %
<b>Favourable scenario</b>	<b>What you might get back after costs</b>	11,867.79 EUR	15,717.42 EUR	20,274.63 EUR
	Average return each year	18.68 %	16.27 %	15.18 %

This table shows the money you could get back over the next 5 years (recommended holding period), under different scenarios, assuming that you invest 10000 EUR.

The scenarios shown illustrate how your investment could perform. You can compare them with the scenarios of other products.

The scenarios presented are an estimate of future performance based on evidence from the past on how the value of this investment varies, and are not an exact indicator. What you get will vary depending on how the market performs and how long you keep the investment/product.

risk class. This rates the potential losses from future performance at a medium level, and poor market conditions could impact our capacity to pay you.

**Be aware of currency risk.** You may receive payments in a currency that differs from your reference currency, so the final return you will get depends on the exchange rate between the two currencies. This risk is not considered in the indicator shown above.

The product is also exposed to the following materially relevant risks that are not included in the summary risk indicator:

- Market Risk
- Foreign Exchange Risk
- Real Estate Investments
- Private Equity

This product does not include any protection from future market performance so you could lose some or all of your investment.

If we are not able to pay you what is owed, you could lose your entire investment.

## What happens if BCEE ASSET MANAGEMENT S.A. is unable to pay out?

You may face a financial loss should the manufacturer and/or the depositary default. There is no compensation or guarantee scheme in place which may offset, all or any of, this loss.

## What are the costs?

### Costs over time

The Reduction in Yield (RIY) shows what impact the total costs you pay will have on the investment return you might get. The total costs take into account one-off, ongoing and incidental costs. The amounts shown here are the cumulative costs of the product itself, for three different holding periods. They include potential early exit penalties. The figures assume you invest 10000 EUR. The figures are estimates and may change in the future.

The person selling you or advising you about this product may charge you other costs. If so, this person will provide you with information about these costs, and show you the impact that all costs will have on your investment over time.

Investment 10000 EUR			
Scenarios	If you cash in after 1 year	If you cash in after 3 years	If you cash in at the end of the recommended holding period
<b>Total costs</b>	483.11 EUR	701.33 EUR	992.86 EUR
Impact on return (RIY) per year	4.83 %	1.94 %	1.35 %

### Composition of costs

The table below shows the impact each year of the different types of costs on the investment return you might get at the end of the recommended holding period and the meaning of the different cost categories.

This table shows the impact on return per year			
<b>One-off costs</b>	<b>Entry costs</b>	0.44 %	The impact of the costs you pay when entering your investment. This is the most you will pay, and you could pay less. This includes the costs of distribution of your product. The impact on return per year of this fee is calculated based on the maximum 2% entry fee you might pay when investing.
	<b>Exit costs</b>	0.44 %	The impact of the costs of exiting your investment when it matures.
<b>Ongoing costs</b>	<b>Portfolio transaction costs</b>	0.11 %	The impact of the costs of us buying and selling underlying investments for the product.
	<b>Other ongoing costs</b>	0.35 %	The impact of the costs that we take each year for managing your investments.
<b>Incidental costs</b>	<b>Performance fees</b>	0.00 %	Not applicable

## How long should I hold it and can I take money out early?

### Recommended holding period: 5 years

You should be prepared to stay invested for 5 years. However, you can redeem your investment without penalty at any time during this time, or hold the investment longer.

Redemptions are possible on a monthly basis. In exceptional circumstances, your right to request the redemption of your investment may be limited or suspended.

## How can I complain?

If you have any complaints about the product, the conduct of the manufacturer or the person that advised on or sold this product, you can use different communication channels:

- by e-mail to [compliance@bcee-am.lu](mailto:compliance@bcee-am.lu)
- by letter to 6a, rue Goethe L-1637 Luxembourg
- by phone calling the number (+352) 26 89 587

In all cases, the complainant must clearly indicate his/her contact details (name, address, phone number or email address) and provide a brief explanation of the claim. More information is available on our website [www.bcee-am.info](http://www.bcee-am.info).
