THE BUSINESS CARD OFFERING THE GREATEST REWARDS

BCEE's MasterCard Business Miles & More Luxair combines all the advantages of a globally recognised payment card with the exclusive benefits offered by Europe's largest frequent flyer programme. It offers you genuine added value every time you use it to pay for your business expenses.

On all business expenses – business trips, petrol for company cars, hotel accommodation, business lunches, etc. – that you or your employees pay for using the MasterCard Business Miles & More Luxair linked to your business account, the cardholder will earn 1,5 award miles for every euro spent. ** At the end of each month the award miles are credited to the Miles & More account of the cardholder.

Collect miles twice over – and not only when you fly

You can earn double award miles if you use your MasterCard Business Miles & More Luxair to pay for flights*, hotel accommodation or car rental at Miles & More partners: once when you pay with your card, and a second time when you show your Miles & More service card while booking or at the check-in desks. You can therefore build up miles even more quickly.

AN ADDED ADVANTAGE: YOUR AWARD MILES WILL NOT EXPIRE

An additional plus of the MasterCard Miles & More Luxair: miles do not expire at the end of 36 months. Your miles are exempt from expiring provided you make a miles related purchase at least once a month (that is not returned or refunded) and have held the card for at least three months. If you fail to fulfil these conditions, the mileage expiration mechanism is reactivated and your miles will expire as provided for in Miles & More's terms and conditions. Mileage expiration does not affect Frequent Travellers, Senators and Hon Circle Members as long as they hold the status level.****

ATTRACTIVE BENEFITS

You can choose from a whole range of attractive Miles & More awards: flight awards and service upgrades, hotel accommodation and trips, lifestyle products, consumer electronics, concerts, subscriptions – and you can even support the charity of your choice.

You can find an overview of the entire range of Miles & More awards and easily view your personal mileage account balance at www.miles-and-more.com.
