# AN ADDED ADVANTAGE: YOUR AWARD MILES DO NOT EXPIRE

A plus of the Mastercard Gold Miles & More Luxair: miles do not expire at the end of 36 months. Your miles are exempt from expiring provided you make a miles related purchase at least once a month (that is not returned or refunded) and have held the card for at least three months. If you fail to fulfil these conditions, the mileage expiration mechanism is reactivated and your miles will expire as provided for in Miles & More's terms and conditions.\*\*\*\*

## APPLY FOR YOUR CARD NOW!

### **If you are already a Miles & More member**
